

TSC GREEN BURSARY

Deadline: May 1, 2021

Amount: \$500.00

Sponsorship information and application form: [TSC Green Bursary Form](#)

Description of award

The *Temiskaming Stewardship Council (TSC) Green Bursary* offers one **\$500.00** award to a student in the *District School Board Ontario Northeast (DSB1)*, *North-eastern Catholic District School Board (NECDSB)*, or *Conseil Scolaire Catholique de District des Grande Rivieres (CSCDGR)* who has displayed academic commitment during their years of secondary school, and plans to continue their education at a recognized post-secondary institution in the field of Ecological Studies of the Natural Environment.

The *TSC* is a volunteer environmental stewardship organization. The *TSC Green Bursary* was developed to support students who have displayed keen interest in the natural environment and wish to further their studies in an environment or renewable resource management field.

Requirements

Applicant must:

- Have displayed high academic commitment and plan to continue their education, the following year, at a recognized post-secondary institution.
- Show proof that you have accepted an offer to attend a post-secondary education in the field of Ecological Studies of the Natural Environment.
- Be living, within the boundaries of and attending secondary school in the *District School Board Ontario Northeast (DSB1)*/*North-eastern Catholic District School Board (NECDSB)*/*Conseil Scolaire Catholique de District des Grande Rivieres (CSCDGR)* at the time of application.
- Preference given for students who have involved themselves in a natural environment related initiative in their community.

How to apply

Your completed application must include:

- A letter of reference from one of your secondary school teachers, community leaders or previous employers.
- Provide proof that you have accepted admittance into a post-secondary program.
- The completed application form found on the [TSC Facebook page](#).
